To Whom It May Concern:

Recently, Mr. Nikita Koloff addressed our students during a school-wide assembly with great success. I would like to take this opportunity to highly recommend him to those who might consider him as a guest speaker.

Nikita Koloff gave us a high-energy, fast paced program that kept the attention of our students the entire time. He is very funny, spontaneous and relates very well to the students. His multiple talents impressed all those who saw him, students and adults alike. There were numerous compliments after the assembly, and I appreciated the repertoire of his presentation during the program.

It is without reservation that I recommend Mr. Nikita Koloff as a speaker for your learning community. I believe that his contribution will enhance your program and provide motivation for your students to succeed in their academic careers. We are looking forward to the opportunity of having him address our students again. If you would like additional information, please contact me at [REDACTED]

Sincerely,

Roberto M. Dávila
