

RITTMAN HIGH SCHOOL

INDIANS FOOTBALL

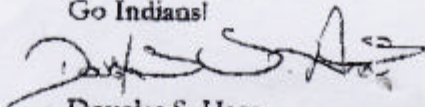

October 28, 2005

Dear Mr. Koloff:

On behalf of the entire Rittman High School football team and myself I wanted to offer our thanks for speaking to our team on Monday, October 17, 2005. The insight and lessons that you provided us have proven to be invaluable to our football team. Coincidentally, we won our game that Friday versus our archrival. To this day our players and coaches still talk about the positive message you spoke about.

In closing, not settling to just be average is something that we will preach as a coaching staff from here on out. If we can be of assistance in any way please don't hesitate to ask. Best of luck on all of your future endeavors! We hope to see you again sometime in the future.

Go Indians!

Douglas S. Haas
Head Football Coach
